Dear Sh. Farooqui,

The Department of Telecommunications (DoT), through its letter dated 10th July 2013, had sought TRAI's recommendations on the applicable reserve price for the auction of spectrum in 800 MHz, 900 MHz and 1800 MHz bands.

2. In this context, TRAI issued a consultation paper on 'Valuation and Reserve Price of Spectrum' on 23rd July 2013.
3. The DoT, through its letter dated 22nd August 2013, sent another reference and sought TRAI's recommendations on permitting trading of spectrum obtained through auction and the attendant legal, regulatory and technical framework.
4. In the consultation paper, issued on 23rd July 2013, TRAI had suo motu raised the issue of spectrum trading in the country and had requested comments/counter-comments from the stakeholders on the issue. However, in the interest of transparency and full disclosure, further time up to 29th August 2013 was given to all the stakeholders for giving any additional comments on the issues pertaining to permitting spectrum trading in the country, referred by the DoT in its letter dated 22nd August 2013.
5. An Open House Discussion was conducted by TRAI with all the stakeholders on 26th August 2013 at New Delhi.
6. Based on the analysis of the comments received from the stakeholders and its own analysis, the Authority has finalised its recommendations on "Valuation and Reserve Price of Spectrum" dated 9th September 2013. The Authority's recommendations are enclosed herewith.
7. In keeping with practice, a copy of this letter, along with the recommendations, is being placed on the website of TRAI www.trai.gov.in
