**Subject :** Regarding tariff validity expansion**To :** Mr Kaushal Kishore <advfea1@traf.gov.in>

i fully support this initiative by traif to extend the validity of tariff from 28 to 30 days this should have done before  
i also recommend traif for 1gb/day plan for 30 days and 1.25gb/day for 30 days for all companies please take this consideration as users are facing financial burdens after last tariff hike
